IMMEDIATE RELEASE

ZHA HIRES NEW PROJECT MANAGER, EAMONN HASSETT

ORLANDO, Fla. (February 24, 2015) --- Rick Mellin, President and CEO of ZHA Incorporated, is pleased to announce that Eamonn Hassett recently joined ZHA as a Project Manager specializing in laboratory and research facilities. He will lead the project management team for the recently announced Florida Advanced Manufacturing Research Center in Osceola County.

Hassett has more than 34 years of experience as a senior construction and project director on a wide variety of large construction projects and significant international experience. He has extensive experience in project management and safety management of large scale commercial, industrial, medical and residential projects, as well as with all aspects of medical, laboratory and clean room construction. He has successfully completed many cleanrooms as an integral part of hospital, medical laboratory and research laboratory projects.

Hassett is originally from Ireland where he attained Associate of Chartered Institute of Building and has a Diploma in Site Management from the Construction Industry Federation. He is currently pursuing a Master of Business Administration degree at Rollins College. He is also a member of the Institute of Engineers of Ireland.

"We are extremely pleased to have Eamonn on board. He brings great skills and a commitment to excellence that we always strive for." said Mellin.
